Mission:

To provide students with a personalized and adaptive education to grow academically, emotionally, and socially.

We Believe... Every child can learn, grow, and succeed when given the opportunity to reach their individual potential.

We focus our resources and energy on developing our *core capabilities* to achieve our Strategic Intent:

- Create differentiated programs that integrate academics with emotional and social learning
- Comprehensively identify individual education needs and learning styles
- Utilize collaborative teaming among staff, specialists and families to integrate and coordinate personalized education
- Structure learning environment with small student- to- teacher ratios
- Assess student progress across all learning areas
